January 18, 1955

The regurally scheduled meeting of the Executive Council of the Student Association met at eitht 0'clock in the Seminar Room of the library. The meeting was opened by a prayer led by Charles Pitman, graduate school represenative. The bussiness discussed was as follows:

1. The problem of keeping the student center clean was discussed. The students have been over-using their privilege of using the book-shelves in the center. Various suggestions were made as to how the council could aid in keeping the center clean. It was suggested that all books left in the student center at night be put up by Bro. Dykes and a fine of ten cents per book be charged that student leaving the book before he could get it back. It was agreed on by the council and Paul Magee is to see Bro. Dykes about the suggestion to see if he will be able to do it.

2. Bro. Grooms is to be asked if more coat racks could be acquired for the dinning hall. It seems that many coats are being ruined because of the lack of coat racks for the coats to be hung.

3. Paul is to see if a stamp machine could be purchased for the Ganus Student Center. The council feel that it is badly needed as students leave packages and letters in the post office window with out stamps.

4. Paul has received information concerning the United States National Student Association. The material was read and discussed and it was decided that we would put the material up before the student body for their approval after the faculty have approved it. The information is to be sent to Dr. Benson right away.

5. The chapel program was discussed by the campus and Paul Magee is to ask if more songs could be sung in chapel. Also, more student participation in the programs was discussed and it is the hopes of the council that next year the programs will be scheduled so that more students will be able to make chapel speeches and present more plays.

The meeting closed with a prayer led by Bro. Pitner.

Respectfully submitted
